

CONCURRENT ENROLLMENT IN COLLEGE CLASSES

Credit

Special part-time students may enroll in up to 11 units per semester, or the equivalent, in a community college. Such students shall receive credit for community college courses that they complete in an amount jointly determined appropriate by the Monterey County Office of Education (MCOE). Students who are selected for Hartnell College's Academy for College Excellence or ACE may enroll in up to 18.5 college units with a principal or division director's approval.

(cf. 6146.11 - Alternative Credits Toward Graduation)

A written agreement regarding the student's enrollment in postsecondary courses and the credits to be awarded for successful completion shall be signed by the student, parent/guardian, principal, and college representative. The student shall be informed in advance of beginning course work whether the credits to be earned are considered academic credits or elective credits and whether the course would need to be completed again during the college years to satisfy college requirements.

To receive MCOE credit for coursework completed at a community college or four-year college, the student or parent/guardian shall submit a transcript showing completion of the course with a passing grade. Students will receive 3.3 high school credits for each one (1) college unit earned.

(cf. 5125 - Student Records)

Except under the conditions specified in Education Code 46146, the minimum day of attendance in MCOE schools shall be 180 minutes for any student who is enrolled part-time in a community college and any student in grades 11-12 who is enrolled part-time in the California State University or University of California, when the student is enrolled in classes for which academic credit will be provided upon satisfactory completion of enrolled courses. [Education Code (E.C.) 46146, 48801]
