

**CONFLICT OF INTEREST CODE OF THE  
MONTEREY COUNTY BOARD OF EDUCATION AND  
MONTEREY COUNTY SUPERINTENDENT OF SCHOOLS**

The Political Reform Act of 1974, Government Code sections 81000, et seq., requires state and local government agencies to adopt and promulgate Conflict of Interest Codes. The Fair Political Practices commission has adopted a regulation, 2 Cal. Code of Regs. Section 18730, which contains the terms of a standard model Conflict of Interest Code, which can be incorporated by reference, and which may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act after public notice and hearings. Therefore, the terms of 2 Cal. Code of Regs, section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission, along with Appendix A below, in which officials and employees are designated and disclosure categories are set forth are hereby incorporated by reference and constitute the Conflict of Interest Code of the Monterey County Board of Education and Monterey County Superintendent of Schools.

Pursuant to 2 Cal. Code of Regs., section 18730(b)(4), all designated employees shall file statements of economic interests with their agency. Upon receipt of the statement of the members of the Monterey County Board of Education and the Monterey County Superintendent of Schools, the agency shall make and retain a copy and forward the original of the statement to the code reviewing body. Statements for all other designated employees shall be retained by the agency, which, pursuant to Government Code section 81008, shall make the statements available for public inspection and reproduction.

Government Code section 82011(b) states that for any local agency, other than a city agency, with jurisdiction wholly within a county, a county board of supervisors is the governing body for that agency's conflict of interest code. Thus, the Monterey County Board of Education (County Board) and Monterey County Superintendent of Schools (County Superintendent) must complete and submit a biennial notice to the Monterey County Board of Supervisors (Board of Supervisors) stating whether the County Board and County Superintendent's conflict of interest code is in need of amendment. If the County Board and County Superintendent's conflict of interest code needs to be amended, a copy of the amended code and record of the vote must be submitted to the Board of Supervisors within ninety (90) days of the determination by the Monterey County Office of Education that amendments to its code were necessary, in addition to the biennial notice.

Consultants to the County Board or County Superintendent shall be subject to disclosure under Category 1, subject to the following limitation:

The County Superintendent may determine in writing that a particular consultant, although a "Designated Employee," is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements of Category 1. In such cases, the County Superintendent may designate a different disclosure requirement. Such designation must be made in writing and shall include a description of the consultant's duties and, based upon that description, a statement of the extent of the consultant's disclosure requirements. Such designation by the County Superintendent is a public record and shall be retained for public inspection in the same manner and location of MCOE's Conflict of Interest Code. The County Superintendent's designation must be filed, in advance of disclosure by the consultant, with the agency's conflict of interest code and also filed with the code reviewing body and must be delivered to the consultant along with a copy of the conflict of interest code and the manual and forms for disclosure (FPPC Form 700).
