Timelines for Filling a Vacancy

When a vacancy occurs, the Board shall take the following action, as appropriate:

1. When a vacancy occurs less than four months before the end of a Board member's term, the Board shall take no action. (Education Code 5093)

2. When a vacancy occurs four or more months before the end of a Board member's term, the Board shall, within 60 days of the date of the vacancy or the filing of the member's deferred resignation, either order an election or make a provisional appointment, unless a special election is mandated as described in item #3 below. In the event that the Board fails to make a provisional appointment or order an election within 60 days, the County Superintendent must call an election to fill the vacancy. (Education Code 5091, 5093)

3. When a vacancy occurs from six months to 130 days before a regularly scheduled Board election, at which the position is not scheduled to be filled, a special election to fill the position shall be consolidated with the regular election. The person so elected shall take office at the first regularly scheduled Board meeting following the certification of the election and shall serve only until the end of the term of the position, which he/she was elected to fill. (Education Code 5093)

When a special election is not required, the Board may make a provisional appointment. (Education Code 5091, 5093)

BOARD VACANCIES**Provisional Appointments**

In order to draw from the largest possible number of candidates, the Board shall advertise in the local media to solicit candidate applications or nominations. A committee consisting of less than a quorum of the Board shall ensure that applicants are eligible for Board membership and announce the names of the eligible candidates. The Board shall interview the candidates at a public meeting, accept oral or written public input, and select the provisional appointee by a majority vote.

In order to serve on the Board, a person must meet the eligibility requirements specified in Education Code 35107.

Within 10 days after the appointment is made, the Board shall post notices of the actual vacancy, or the filing of a deferred resignation, and the provisional appointment. The notice shall be published in the local newspaper pursuant to Government Code 6061 and posted in at least three public places within the County Office. (Education Code 5092)

The notice shall contain: (Education Code 5092)

1. The date of the occurrence of the vacancy or the date of the filing of, and the effective date of, the resignation
2. The full name of the appointee
3. The date of appointment
4. A statement notifying the voters that unless a petition calling for a special election pursuant to Education Code 5091 is filed in the office of the County Superintendent within 30 days of the provisional appointment, it shall become an effective appointment

The person appointed shall hold office until the next regularly scheduled election for Board members and shall be afforded all the powers and duties of a Board member upon appointment. (Education Code 5091)

BOARD VACANCIES**Appointment Due to Failure to Elect**

When a vacancy occurs because no person or an insufficient number of candidates have been nominated (i.e., a failure to elect), and an election will not be held, the Board shall appoint a qualified person to the office. This appointment shall be made at a meeting prior to the day fixed for the election and the appointee shall be seated at the organizational meeting as if elected. (Education Code 5328)

When an appointment is being made because of a failure to elect, the County Superintendent or designee shall publish a notice once in a newspaper(s) of general circulation published in the county. This notice shall state that the Board intends to make an appointment and shall inform persons of the procedure available for applying for the appointment. (Education Code 5328.5)

The procedure for selecting and interviewing candidates shall be the same as the procedures for "Provisional Appointments," as specified above.
