

COUNTY BOARD ELECTIONS

Any person is eligible to be a Monterey County Board of Education (County Board) member if he/she is 18 years of age or older, a citizen of the state, a resident of the trustee area, a registered voter, and not legally disqualified from holding civil office. [Education Code (E.C.) 35107]

The County Board shall consist of seven (7) members, each from a different Trustee Area. Each member of the County Board shall be an elector of the Trustee Area which he/she represents and shall be elected by the electors of the Trustee Area in the manner prescribed by the Education and Election Codes. The term office is four (4) years.

(cf. 9110 - Terms of Office)

Elections shall be held biennially on the first Tuesday after the first Monday in November of each succeeding odd numbered years to fill the offices of members whose terms expire on the last Friday of November next succeeding the election.

In order to help protect the public's trust in the electoral process as well as the public's confidence in the County Board and Monterey County Office of Education (MCOE), the County Board encourages all candidates to sign and adhere to the principles in the Code of Fair Campaign Practices pursuant to Elections Code 20440. This pledge states that a candidate may not use or permit negative prejudice based on a candidate's race, religion, physical or mental disability, sex, gender, sexual orientation, or any other prohibited category of discrimination listed in Government Code 12940.

(cf. 0410 - Nondiscrimination in Programs and Activities)

(cf. 9005 - Governance Standards)

MCOE shall not pay the cost of printing, handling, translating, or mailing of candidate statements filed pursuant to Elections Code 13307. As a condition of having candidate statements included in the voter's pamphlet, candidates are required to pay the printing cost to the Elections Department in advance pursuant to Elections Code 13307. Candidate statements shall be limited to no more than 200 words. [Elections Code 13307] The paid amount will be reimbursed in the event the election is uncontested.

No mailing of candidates' materials will be authorized by the County Board pursuant to Section 10012, Election Code. This determination should not be interpreted to discourage any candidate from making any political mailings the candidate sees fit to make.

On the 125th day prior to the day fixed for the general election, the County Board Secretary or designee shall deliver a notice, bearing the Secretary's signature and the MCOE seal, to the county elections official describing both of the following: [Elections Code 10509]

1. The elective offices of MCOE to be filled at the general election and which offices, if any, are for the balance of an unexpired term
2. Whether MCOE or the candidate is to pay for the publication of a statement of qualifications pursuant to Elections Code 13307

(cf. 9223 - Filling Vacancies)

It shall be the County Board's policy that a potential tie vote is to be resolved by lot. Whenever a tie makes it impossible to determine which of two or more candidates has been elected to the County Board, the County Board shall immediately notify the candidates who received the tie votes of the time and place where the candidates or their representatives should appear before the County Board. The County Board at that time shall determine the winner by lot. [E.C. 5016]

Settlement of a Tie Vote

Should the election of a Board member result in a tie vote between two or more members seeking the same office, the winner shall be decided in the following manner:

1. The Board president shall officially announce such result as part of Board business.
2. Board president shall order that five suitable objects be numbered one to five with no two having the same number.
3. The numbered objects shall be placed in a suitable bag with no numbered object revealed.
4. In an officially scheduled Board meeting each of the tied candidates shall draw one of the objects.
5. The candidate drawing the object with the highest number shall be declared the winner of the election by official action of the Board.

An MCOE employee elected to the County Board shall resign his/her position before being sworn in or shall have his/her employment automatically terminated upon being sworn into office. [E.C. 35107]
