

## **ACCOUNTABILITY**

The Monterey County Board of Education has a responsibility to continually reexamine MCOE's programs to determine their effectiveness in serving all of its students, and for ensuring accountability to parents/guardians and the community.

To enable the Board to fulfill its responsibilities, the Superintendent shall use appropriate measures to ensure accountability. These measures shall be integrated and consistent with the state's accountability system and may include, but not limited to, measures to evaluate student achievement, parent/guardian involvement and other MCOE goals.

The Superintendent shall regularly report to the Board regarding progress toward MCOE's vision/direction, educational programs and achieving the goals set forth on the statewide Academic Performance Index and in the Alternative School Accountability Model (ASAM).
