

LOTTERY FUNDS

The Monterey County Office of Education (MCOE) intends to use California State Lottery funds for supplemental and nonrecurring expenditures in support of educational programs and activities.

Lottery funds allocated by the State for the purchase of instructional materials shall be expended on instructional materials as defined in Education Code 60010. Lottery funds shall not be used for the acquisition of real property, construction of school facilities, financing of research, or any other noninstructional purpose. [Government Code (GC) 8880.4, 8880.5]

For the receipt and expenditure of lottery funds, the Monterey County Superintendent of Schools or designee is required to establish a separate account that shall be clearly identified as a lottery education account. [GC 8880.5]
